Hi Holly,

I hope all is well with you. Per the message below, I understand that you are meeting with NRDC next Thursday on the AE petition issues. Would it be possible for me (and possibly Alexa Engelman in R9 ORC) to listen in by phone?

Thanks!

David

Subject: EPA interim response to AE petition

Hi all,

Please find attached our interim response to the recent petition we received on aquifer exemptions, which was sent out today. Many thanks to Joe Tiago for leading this effort, to OGC, and to UIC staff, managers and counsel in Rs 6, 7, 8 and 9 for your review and input into this response. Next step is to plan for a meeting with petitioners, as we also think through approaches for a more thorough response, and continue drafting our technical materials on current source evaluation.

Best,

Holly
